Nunavut Housing Corporation: Board of Directors Recruitment

Starting October 2019 – 3 Year Term

The Nunavut Housing Corporation (NHC) was created in 2000 through the Nunavut Legislature by the Northwest Territories Housing Corporation (Nunavut) Act. Our mandate as a public agency of the Government of Nunavut (GN) is to deliver housing and housing programs so that families and individuals in Nunavut have fair access to a range of affordable housing options.

The NHC Board of Directors ensures the Corporation has the capacity to monitor NHC's overall performance beyond the day to day operations, oversees the corporate risk management function and allows for a more comprehensive approach in setting the Corporation's strategic direction. The Board of Directors also continues to be active in lobbying for essential private and public funding.

As per the Nunavut Housing Corporation (NHC) Act, the NHC strives for a well-balanced mix of male and female board members with representation from across Nunavut. Specifically, the NHC is looking for individuals with vision, passion, and leadership skills having experience with Housing, Construction, Finance, or Governance in a Northern context to apply for the vacant Board of Director positions.

This is a three year term that will see the qualified candidates working together to meet the housing challenges that affects all Nunavummiut.
