

## Consent to the Collection of Personal Information

I, \_\_\_\_\_, authorize  
(Print your name)

the Climate Change Secretariat of the Government of Nunavut to work with my service provider to collect my personal information consisting of:

**home energy generation and energy consumption data from my renewable energy system for 12 months after the completion of my installation.**

I understand that this data will be collected by my service provider for the Climate Change Secretariat's use. I understand that this data is to monitor the energy generation and use from my renewable energy system, in order to calculate possible greenhouse house emission reductions from the project. The information provided under this program is collected and protected by the Climate Change Secretariat pursuant to the provisions of the *Access to Information and the Protection of Privacy Act*. The release of your personal information that is not authorized by law requires your consent.

I understand that my consent to the disclosure of home energy generation and energy consumption data from my service provider to the Government of Nunavut is **required** in order to be eligible for this program.

This consent is considered valid for a period of one (1) year from the date the Nunavut Housing Corporation receives final receipts and photos of the completed renewable energy system installation.

This consent is not automatically renewable. It expires automatically one (1) year from the date the Nunavut Housing Corporation receives final receipts and photos of the completed renewable energy system installation.

By my signature below, I affirm that I have read this release of information or it has been read to me, and I understand the nature of the information that will be collected.
